

Learning Activities

Type in the following Activity Codes and hit ENTER.

Once you are logged into Compass Learning, click on Reading or Math. Use the magnifying glass in the bottom right corner to type in the specific codes to practice. Each student's Compass Learning account is directly tied to their personal STAR tests, but the skills below are the specific skills that we would have covered in class for the week. This will meet the requirements of the learning calendar as set forth by the district. Check off each activity code as you go! If you finish all of these Compass Learning Activities before Friday (April 3rd), then make sure you spend 45 minutes a day on other Compass Learning Activities in both subjects.
