Learning Activities

Type in the following Activity Codes and hit ENTER.

Once you are logged into Compass Reading or Math, use the magnifying glass in the bottom right corner to type in the specific codes to practice. Each student's Compass account is directly tied to their personal STAR tests, but the skills below are the specific skills that we would have covered during the week of March 30-Apr.3. This will meet the requirements of the learning calendar as set forth by the district.
